An elegantly printed jute bottle bag

Product description

Designed for bottle manufacturers and retailers seeking a premium, eco-friendly packaging solution, this beautifully printed jute wine bag combines sustainability with style. Made from durable, biodegradable jute, it provides a sturdy and reusable alternative to plastic packaging while enhancing the appeal of your wine bottles. The elegant nature-inspired print adds a sophisticated touch, making it perfect for gifting, special occasions, and luxury retail presentation. Its reinforced handles ensure easy carrying, while the strong construction offers excellent protection for the bottle inside. Whether used for retail sales or corporate gifting, this bag transforms your wine into a premium offering, boosting customer perception and brand value. By choosing this jute wine bag, you're not only enhancing your product's appeal but also embracing a greener future that resonates with eco-conscious consumers.

Product Specifications

1. Material: Durable, biodegradable, and eco-friendly jute.
2. Size: Suitable for standard 750ml wine bottles, 5" x 14" x 5".
3. Design: Elegant nature-inspired print for a premium look.
4. Handles: Strong, reinforced jute handles for comfortable carrying.
5. Usage: Reusable, stylish, and perfect for gifting or retail.
6. Color : Natural.

Jute bottle bag double bottle

Product description

Enhance your bottle presentation with this stylish and eco-friendly dual-bottle jute bottle bag. Crafted from durable, biodegradable jute, it offers a sustainable alternative to plastic packaging while ensuring premium protection for two standard-sized bottles. The vibrant geometric print adds a modern and artistic touch, making it perfect for wineries, retailers, and luxury gifting. Designed with reinforced handles for comfortable carrying, this bag is both practical and visually appealing. Whether used for retail sales, corporate gifting, or special occasions, this reusable bag adds value to your brand by promoting sustainability and sophistication.

Product Specifications

1. Material: Soft, durable, and biodegradable jute.
2. Size: Fits standard 750ml wine bottles securely; 8" x 14" x 5"
3. Design: Minimalist natural look with a convenient patterned design.
4. Closure: Strong jute handle
5. Usage: Reusable, lightweight, and perfect for gifting or retail packaging.
6. Color : Off-White or any color

Jute bottle Bag flower printed
